The Deacons reported a special called Business Meeting which was held on June 17th. As a result of this meeting, the Church will begin to seek a candidate to fill the position of Pastor at Shell Point Baptist Church. The Church has instructed the Nominating Committee to begin seeking candidates to establish a Pastor Search Committee. This committee is charged with the responsibility of finding a candidate to fulfill the position of Pastor. The nominating committee is asking anyone who wants to volunteers to let a committee member know. (Mike Durham, Tony Settles, Bonnie Richard)

Once the roster of candidates is established, they will be voted on at the business meeting on July 15th to begin their work. We ask that everyone be in prayer as our church takes the next major step.

July 2026

“But now that you have been set free from sin and have become slaves of God, the benefit you reap leads to holiness, and the result is eternal life.”

Romans 6:22

July 4th the country will celebrate 250 years of the American experience, 250 years of freedom.

As we continue into 2026 we see so much that has changed over the years and we can look back at the history of the country and see so much that is completely different today from what it was 250 years ago.

Shell Point is now moving forward into new territory, trying to put a permanent pastor in place.

As I look over the needs of the church, I see so much that is on in the near future. Just talking about hoping to see more people, in no way will that fill the seats. In fact, that is not a biblical concept. We must be willing to go and find those who need Jesus and bring them into the church and teach them about the freedom that we as Christians have in Jesus.

The Bible tells us in Romans 6:22 that we are set free from sin through Jesus and we are to serve God knowing that one of the benefits resulting from our belief in Christ is eternal life.

Dear Sisters and Brothers in Christ,

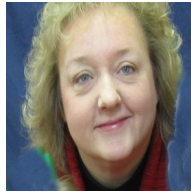

Happy 4th of July and MERRY CHRISTMAS! I bet you are thinking right now, she is a very confused person. We all know Christmas is not until December. Well, that is true, but Christmas in August, which we start in July is coming up soon. The children who receive our donated school supplies, feel like it is Christmas, when they get the items they need to start out their school year with success. A box of crayons, a notebook, pencils sometimes seem like such a small thing, but to a child who may not have everything they need it can be like Christmas In August. We will begin to collect school items on July 12, 2026, so start watching for those sales. Thank you in advance for caring for our next generation.

Now back to the beginning, let freedom ring! We are so blessed to live in a country where we can worship Christ in our own way. We do not have to hide that we go to church or that we read the Bible. We can openly discuss our Savior with others. Now let me ask you this, do you take that privilege for granted? There are those in other countries who are killed for sharing Christ. Let us never forget to pray those who do not have this privilege and may we always open our mouth to share Christ to all we come in contact with.

Please do not forget our Prayer Shawl ministry. We have prayer shawls made and ready to be prayed over and given to those who need a little extra comfort and care. Please let me know if you have someone that needs a prayer shawl.

Upcoming in September, churchwide yard sale. We will begin collecting items for a churchwide yard sale in August. If you have books, comforters, dishes, furniture, we ask that please donate it to the yard sale. We will not be accepting clothing. We will also need baked goods for this day. It will be a time of community outreach as we host a yard sale and bake sale. We are hoping to have bouncies for the children that come with their parents, hot dogs and chips and more. All funds from the sale will be going to our Christmas Shoe Box Ministry. We need your help in this upcoming event in September.

As always please pray for our family as we pray for yours. In Christ love, Jenny Durham WMU
